# PC<sup>4</sup>/PAC<sup>3</sup> Spring Conference 2024

On behalf of Children's Health,<sup>SM</sup> we are excited to welcome you all to the Annual PC<sup>4</sup>/PAC<sup>3</sup> Spring Conference. This gathering marks a momentous occasion where minds, expertise and shared purpose converge. We reflect on the value of "Coming Together," recognizing we are part of a larger ecosystem – a network of multiple experts from various backgrounds dedicated to improving outcomes for all our patients.

At Children's Health, our identity is deeply rooted in this learning network. It binds us together across geographical boundaries and institutional affiliations, facilitating the exchange of knowledge, best practices and innovative approaches. Together, we are greater than the sum of our parts.

Our contributing organizations have demonstrated an unwavering commitment to excellence, leading to significant growth in our collective impact. We are shaping the future of pediatric cardiology, advancing research and improving clinical outcomes. Our shared mission – to enhance the lives of children with cardiac conditions – drives our determination.

Throughout the conference, we anticipate moments of shared learning, dialogue and exchange. Networking sessions will provide opportunities to connect, collaborate and learn from one another. Our toolbox extends beyond equipment to include knowledge, compassion and innovative solutions that empower us in our daily practice.

As we celebrate the sixth PC<sup>4</sup>/PAC<sup>3</sup> Spring Conference, we extend heartfelt gratitude to our patients and their families for their trust and resilience. Their stories inspire us daily, driving our commitment to excellence and advocacy for all patients.

We share special thanks to the visionary leadership of PC<sup>4</sup> and PAC<sup>3</sup> for orchestrating this conference. Their dedication and foresight have made this gathering possible. Let us honor their efforts by engaging wholeheartedly, learning passionately and leaving with renewed purpose.

Welcome to Dallas. We're thrilled you're here. We can't imagine a more purposeful reason to be together.

Warm regards,

# Join our Spring Conference Scavenger Hunt!

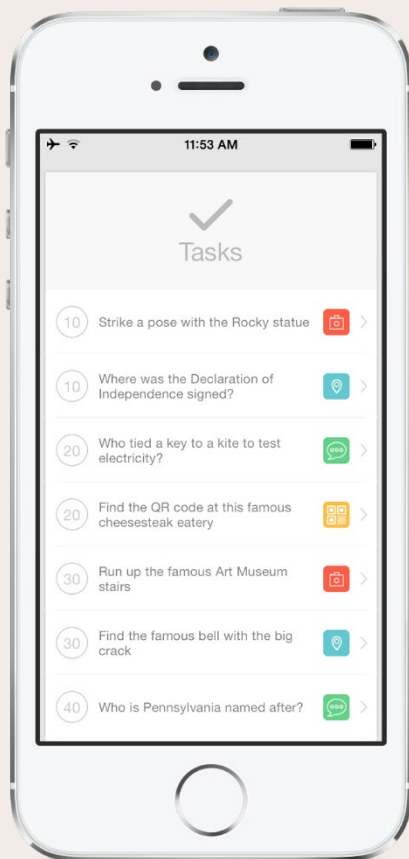

PC<sup>4</sup>/PAC<sup>3</sup>  
Spring Conference  
2024

Throughout all three days of the conference, we invite you to participate in our Spring 2024 PC<sup>4</sup>/PAC<sup>3</sup> Scavenger Hunt using a simple phone app called Scavify.

Complete challenges! Earn points! Watch your rise through the leaderboard! Win prizes!

Using the app you will snap photos, scan hidden QR codes, answer trivia, check-in at locations and more!

## How to Join

1. **Download the Scavify App** using the QR code below, or go to [scavify.com](https://scavify.com)

2. **Search**  
Open the app, sign up to create an account, search for "PC4PAC3" and join the hunt. **The password is "dallas".**
3. **Complete Challenges!**  
Once you have joined the hunt you will be in the main game play screen. Scroll down to the list of "Tasks". You may begin completing tasks and challenges once the hunt starts. Good luck and have fun!
