

**Call for Proposals**  
**PC<sup>4</sup>/PAC<sup>3</sup> Spring Conference Poster Session,**

**Location: JW Marriott Washington DC**

**Hosted by: Children's National Hospital | Washington, DC**

The PC<sup>4</sup>/PAC<sup>3</sup> Spring Conference Program Committee invites attendees to submit proposals for an interactive Poster Session.

**Please note the submission deadline has been extended to Thursday, February 27<sup>th</sup>!**

**If your abstract is accepted, you will be allowed to use the Early Bird discount code to register for the conference, even if you do so after the March 7th deadline for early registration.**

Examples of projects include (but aren't limited to) topics around:

- Standards of care/Clinical practice
- Mortality
- Length of stay
- Complications
- Patient/family satisfaction and engagement
- Registry data collection processes
- Quality Improvement (QI) or Patient Safety initiative

Projects may involve PC<sup>4</sup> or PAC<sup>3</sup> registry data, but this is not required. If you are planning to share a QI project, please consider highlighting at least one QI in your submission, such as a Key Driver Diagram, PDSA cycle, Pareto chart and/or statistical process control chart. We are interested in seeing projects at different stages of completion, including those in the design phase and early results.

Projects that have been previously presented within the past year or plan to be presented at other conferences may also be submitted.

Abstracts should be limited to 500 words (not including title/headings) and include the following headings: Introduction/Objective; Method; Results; Conclusion.

**Proposals for traditional and QI projects will be graded on separate rubrics.**

**Call for Proposals  
PC<sup>4</sup>/PAC<sup>3</sup> Spring Conference Poster Session,**

**Location: JW Marriott Washington DC**

**Hosted by: Children's National Hospital | Washington, DC**

Submissions will be accepted through end of day **Thursday, February 27<sup>th</sup>**.

**Be sure to answer the following questions on the REDCap form**

1. Is your project traditional or QI-focused?
2. We understand that your plans may change, but are you planning on attending the PC<sup>4</sup>/PAC<sup>3</sup> conference in-person?
3. PAC<sup>3</sup> will again be hosting its 6-month QI education course, where participants meet monthly to go through the steps of their local QI project while learning about QI science. More information can be found on the [PAC<sup>3</sup> Website](#). Would you like your project to be evaluated for inclusion in this course?
